“ I grew up next door to Carol. She was a wonderful neighbor. Was fun to see her having her rummage sales. (Made me tired watching the work she put into them). It was always evident how she loved her family. I will never forget the Teddy Bear cakes she would make and all she wanted was a photo in return. My boys loved them. She will be missed.

“ I always looked forward to our visits, how she loved to make everyone feel loved. She never tired of showing off her garden or to go shopping. One time coming home having bought the same sweater! Hugs to you all from Canada. Love Marla

“ I'm sorry I can not be with you at this time as I am ill. I enjoyed knowing Carol as we both were in the Morningside Garden Club. She gave a wonderful program about "Aprons". She even had a garden apron, and one time at our meeting we drew flowers under directions of Carol and her daughter. She was such a wonderful lady. She will be missed. You have my sympathy. Sorrow is not forever, Love and Memories are.

“ Lots of great memories! All the birthday cakes she made and family gatherings at the house, her love of Elvis and her flowers, decorating for Christmas, putting puzzles together on the dining room table, and of course the yearly garage sale! You could put together quite a long list of everything she enjoyed. Hang on to those memories!
