“ Dear Terry and Vicky, so sorry to see of Dick's passing. It sounds like he was a wonderful man. I remember he and his whole family while growing up in Westlawn church. Sorry for Pat's recent passing also. I was so happy to run into her at the grocery store a few months ago and get caught up on the family. I'll have your whole family in my prayers.

“ So sorry for your family's loss. My relationship with Dick was as his catcher on our Casler Electric Jr Legion baseball team and the Westside Babe Ruth all-star team. He was a very talented and fun teammate. Rest In Peace, Dick.

What a sweet man ! He also delivered bread to my husbands business (The Station) in Westfield several years ago !! Was fun having that connection with him too ! Heaven has a wonderful soul today . May God bless you all during this difficult time.

“ I knew Dick from playing in the Hinton senior men's golf league for the past 10 years or so. He was a gentle and friendly man who really enjoyed being out with his friends playing golf. He was a very good golfer and was a difficult match for all of us, but he was fun to play with and compete against. He had a great sense of humor and enjoyed joking around with the guys, but it was always done in a good-natured way. I always looked forward to seeing Dick and visiting with him, about golf or anything else. I will miss him, and always remember him with warm thoughts.
